

Joy Baluch AM Bridge Duplication Project

Marine Piling

As part of the Joy Baluch AM Bridge Duplication Project, the Port Wakefield to Port Augusta (PW2PA) Alliance advises that marine piling will soon commence for the new bridge.

Timing of works:

Piling for the duplicated bridge is expected to commence on Monday, 11 January 2021, and will be completed by mid 2021, weather permitting. Unless otherwise advised, works will be undertaken as follows:

- Monday to Saturday, 7am to 7pm.
- Sunday, 9am to 5pm.

Activities:

A 450 tonne and two 250 tonne crawler cranes with a driving impact hammer will be used to drive 75 piles for the new bridge.

What to expect:

Specialist marine equipment will drive the piles up to a depth of approximately 30 metres into the seabed by applying blows from a heavy hammer attached to a crane.

Some noise and vibration disturbance can be expected at times while these works are completed, however the works will be managed to minimise disruption to nearby businesses and residents as much as practically possible.

Noise and vibration monitoring will be undertaken during these works.

Please refer to the following fact sheets for additional information:

- *Managing Construction Impacts – Environmental Management*; and
- *Managing Construction Impacts – Marine Fauna*.

These fact sheets are available at the Community Hub, 45 Commercial Road, Port Augusta and on the project website at www.pw2pa.com.au/joy-baluch-am-bridge-duplication/

Stay up-to-date with the project via the new SitePodium app. The app is available at no cost by downloading Site Podium from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards
