

Western Approach Road Southbound Overtaking Lane Temporary Road Closure – Noontina Road

The Australian and South Australian governments have committed \$32 million as part of the Roads of Strategic Importance initiative to upgrade Eyre Peninsula roads.

Provision of additional overtaking lanes in key locations on the most affected roads of the Lower Eyre Peninsula will help reduce the impacts on the road network. This will result in improved road safety, freight productivity and efficiency for road users, including holidaymakers travelling to seaside towns along the same transport corridors as heavy vehicles.

As part of the project, and to enable the construction of the Western Approach Road southbound overtaking lane, Noontina Road will be temporarily closed at the junction with Western Approach Road (see map overleaf).

Timing

The temporary closure of Noontina Road, at the junction with Western Approach Road, is expected to commence from 7am, Tuesday, 6 April 2021, for approximately 6 weeks.

Works will be undertaken during the day between 7am and 7pm, seven days a week.

Activities

- Installation of traffic barriers and temporary line marking.
- Installation of stormwater infrastructure.
- Construction of new overtaking lane.

What to expect

Traffic restrictions will apply in the vicinity of the works at times. Signage will be in place to alert road users to any change to traffic conditions. Motorists are advised to take care when driving through the area. Access to properties will be maintained at all times.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards
