

Port Wakefield Highway Junction with Balaklava Road Upgrade Changed traffic arrangements

The Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and the South Australian governments and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

As part of the project, the PW2PA Alliance advises that changed traffic arrangements on Balaklava Road and Port Wakefield Highway will be in place to facilitate construction of the new Port Wakefield Highway junction with Balaklava Road (see map overleaf).

Nightworks will be required on Port Wakefield Highway (within the township), Phillips Road and Balaklava Road to install signage, relocate barriers and complete line marking.

Timing of works

Nightworks will be undertaken from **7pm – 6am each night from Wednesday, 2 June until Friday, 4 June 2021.**

The changed traffic arrangements (see map overleaf) will be in place from **10am Saturday, 5 June 2021, for approximately three months, weather permitting.**

What to expect

Minor noise disturbance can be expected with nightworks, however the PW2PA Alliance will minimise disruption to nearby businesses and residents, as much as practically possible.

The Port Wakefield Highway junction with Balaklava Road will be temporarily closed. Access will be via the newly constructed road to the east of the service stations.

Existing pedestrian detours will remain in place via the footpath on the western side of Port Wakefield Highway.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Stay up-to-date with the project via the SitePodium app. The app is available at no cost from the App Store or Google Play.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.
