

## Port Wakefield Road Upgrade

### Night works – installation of stormwater infrastructure

The Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and the South Australian governments and is being delivered by the Port Wakefield to Port Augusta Project (PW2PA) Alliance.

The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

As part of the project, the PW2PA Alliance advises that night works will be undertaken along Port Wakefield Highway between John Street and Burra Street (see map overleaf). Minnie Street and Phillips Road will be temporarily restricted to one lane at the junction with Port Wakefield Highway.

#### Timing of works:

The night works being undertaken along Port Wakefield Highway between John Street and Burra Street are being continued for another 6 weeks to enable completion of stormwater and drainage works.

Unless otherwise advised, works will be generally undertaken each night between 7pm and 7am, excluding Saturday nights.

#### What to expect:

Night works are being undertaken to minimise impacts to traffic during the day and complete the works as quickly and safely as possible.

Noise disturbance can be expected while these works are completed, with saw cutting to be undertaken prior to 10pm each night. The PW2PA Alliance will manage these works to minimise disruption to nearby businesses and residents as much as practically possible.

Minnie Street and Phillips Road will be restricted to one lane during these works. Access to residential and business properties will be maintained at all times unless otherwise advised.

Traffic controllers will be in place to assist when works are taking place, and signage will alert motorists to the changed traffic conditions. Take extra care when workers are onsite and observe speed restrictions.

Existing pedestrian detours will remain in place via footpaths on the western side of Port Wakefield Highway.

Stay up-to-date with the project via the new SitePodium app. The app is available at no cost by downloading Site Podium from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email [enquiries@pw2pa.com.au](mailto:enquiries@pw2pa.com.au) or visit [www.pw2pa.com.au](http://www.pw2pa.com.au).

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards
