

Augusta Highway Overtaking Lanes

Lochiel to Redhill – Construction Commencement

The Augusta Highway Overtaking Lanes Project is jointly funded (80:20) by the Australian and South Australian Governments as part of the South Australian Rural Roads Safety Package.

The Augusta Highway is the key corridor between Port Wakefield and Port Augusta and forms part of the National Land Transport Network, providing crucial connectivity to regional South Australia and interstate.

This project includes construction of two overtaking lanes:

- southbound between Lake View Road and Mallee Corner Road, south of Redhill; and
- southbound between Maro Creek and Diagonal Road, north of Lochiel.

Timing

Works will commence from **Monday, 15 November 2021**, with both overtaking lanes expected to be completed by late 2022, weather permitting.

Works will typically be undertaken during the day, Monday to Saturday between 7am and 7pm. No works will be undertaken on Sundays unless otherwise advised.

Activities

Works will include:

- identification of existing services;
- vegetation removal;
- installation of traffic barriers and temporary line marking; and
- construction of new southbound overtaking lanes.

What to expect

To safely undertake these works speed and lane restrictions will be in place in the vicinity of the works. Signage will be in place to alert road users to any change to traffic conditions. Please take care when workers are on site. Observe speed restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

A map indicating the locations of the overtaking lanes is provided overleaf.

To register your interest in the project and be notified about future engagement activities, please call 1300 161 407 or email enquiries@pw2pa.com.au

The Department appreciates your patience and understanding whilst these important works are undertaken.

Kind Regards
