

## Port Wakefield Highway Overpass and Highway Duplication Traffic Switch

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and the South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

To safely facilitate construction of the new intersection of the Copper Coast Highway and Augusta Highway, northbound and southbound traffic will be temporarily diverted onto the newly constructed southbound lanes of the Augusta Highway.

### Timing of works:

This temporary traffic arrangement will come into effect after **Wednesday, 3 November 2021, for approximately three months**, weather permitting. Once complete, the project team will be able to finalise the overpass and prepare for opening to traffic.

### What to expect:

Northbound and southbound traffic will be directed to the newly constructed southbound lanes from just south of the Wakefield River Bridge to just north of the overpass (see map overleaf).

The slip lane for northbound Port Wakefield Highway traffic to the Copper Coast Highway will be closed during these works, with access maintained further north at the existing Copper Coast Highway and Augusta Highway junction (see map overleaf).

To safely undertake these works speed and lane restrictions will be in place during the works. Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. Signage will be in place to alert motorists to the changed traffic conditions.

Some noise disturbance can be expected at times while these works are being undertaken, however the work will be managed to minimise disturbance as practically possible.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Stay up-to-date with the project via the new SitePodium app. The app is available at no cost by downloading Site Podium from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email [enquiries@pw2pa.com.au](mailto:enquiries@pw2pa.com.au) or visit [www.pw2pa.com.au](http://www.pw2pa.com.au)

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards,

**Community Engagement and Stakeholder Team**  
**PW2PA Alliance**
