

Joy Baluch AM Bridge Duplication Project

Augusta Highway traffic restrictions between the Joy Baluch AM Bridge and Flinders Terrace

The \$200m Joy Baluch AM Bridge is an important link in the National Land Transport Network at Port Augusta, providing access across the Spencer Gulf for commuter, commercial and freight vehicles in the northern region of South Australia. It is also a key tourist connection to the Eyre Peninsula, northern South Australia and beyond.

The Joy Baluch AM Bridge Duplication Project is a joint initiative of the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

As part of the project, and to facilitate widening of the highway south of the Joy Baluch AM Bridge, traffic will be temporarily reduced to one lane in each direction on the Augusta Highway between the Joy Baluch AM Bridge and Flinders Terrace (see map overleaf).

Nightworks will be required on the Augusta Highway, at the intersection with Mackay Street to install temporary pavements, relocate barriers and complete line marking.

Timing

Nightworks will be undertaken from **7pm – 6am, each night from Monday, 22 November until Friday, 26 November 2021.**

The reconfigured traffic lanes between the Joy Baluch AM Bridge and Flinders Terrace are expected to be in place by **6am Friday, 26 November for approximately 6 months, weather permitting.**

What to expect

To safely facilitate these works traffic will be temporarily reduced to one lane in each direction on the Augusta Highway between the Joy Baluch AM Bridge and Flinders Terrace.

Access in and out of Mackay Street from the Augusta Highway will continue to be provided.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Signage will be in place to alert motorists of the temporary changes and speed restrictions. Motorists are advised to take care when driving through the area. Pedestrian access will be maintained.

Stay up-to-date with the project via the SitePodium app. The app is available at no cost to download from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards,

Community Engagement and Stakeholder Team
