

Joy Baluch AM Bridge Duplication Project

Temporary Road Closure, Langsford Street

The \$200m Joy Baluch AM Bridge is an important link in the National Land Transport Network at Port Augusta, providing access across the Spencer Gulf for commuter, commercial and freight vehicles in the northern region of South Australia. It is also a key tourist connection to the Eyre Peninsula, northern South Australia and beyond.

The Joy Baluch AM Bridge Duplication Project is a joint initiative of the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

As part of the project, preparation works for the construction of the shared use path will be undertaken along the embankment of the Augusta Highway along Langsford Street. To safely undertake works on the embankment of the Augusta Highway, Langsford Street will be closed between Jervois Street and Langsford Street (see map overleaf).

Timing

Temporary restrictions will be in place from **7am Saturday, 25 September 2021, for approximately 8 weeks, weather permitting.**

Works will be undertaken seven days a week, on Monday to Saturday from 7am to 7pm and on Sundays between 9am and 5pm.

What to expect

These works will include earthworks, stormwater installation, piling, installing retaining walls, kerb and gutter construction and asphaltting works.

Residential and pedestrian access will be maintained at all times, including through the Jervois Street Underpass.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Stay up-to-date with the project via the SitePodium app. The app is available at no cost to download from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au
