

Lincoln Highway, Tumby Bay Overtaking Lane Temporary Road Closure – Schramms Road

The Australian and South Australian governments have committed \$32 million as part of the Roads of Strategic Importance initiative to upgrade Eyre Peninsula roads.

Provision of additional overtaking lanes in key locations on the most affected roads of the Lower Eyre Peninsula will help reduce the impacts on the road network. This will result in improved road safety, freight productivity and efficiency for road users, including holidaymakers travelling to seaside towns along the same transport corridors as heavy vehicles.

As part of the project, and to enable the construction of the Lincoln Highway, Tumby Bay southbound overtaking lane, Schramms Road will be temporarily closed at the junction with Lincoln Highway (see map overleaf).

Timing

The temporary closure of Schramms Road, at the junction with Lincoln Highway, is expected to commence from 7am Monday, 17 May 2021, and be reopened by 7pm, Thursday, 27 May 2021, weather permitting.

Activities

- Installation of traffic barriers and temporary line marking.
- Installation of stormwater infrastructure.
- Construction of new overtaking lane.

What to expect

Lincoln Highway will remain open, with a 25 km/h speed restriction in place while workers are on site. Lane and other speed restrictions may apply, subject to onsite conditions.

Signage will be in place to advise motorists of the temporary road closure and available detour route via Hammonds Road and White River Road. Motorists are advised to take care when driving through the area.

Access to properties will be maintained at all times.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards
