

Joy Baluch AM Bridge Duplication Project

Night Works and traffic restrictions – Augusta Highway

The Joy Baluch AM Bridge is an important link in the National Land Transport Network at Port Augusta, providing access across the Spencer Gulf for commuter, commercial and freight vehicles in the northern region of South Australia. It is also a key tourist connection to the Eyre Peninsula, northern South Australia and beyond.

The Joy Baluch AM Bridge Duplication Project is a joint initiative of the Australian and South Australian governments and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

As part of the project, soil testing will be undertaken in the following locations:

- Augusta Highway between Burgoyne Street and the Westside Foreshore.
- Augusta Highway between Flinders Terrace and the Eastside Foreshore.
- Mackay Street, just south of Augusta Highway.
- Langsford Street, adjacent Augusta Highway.

Timing

Night works are expected to commence on **Monday, 28 June 2021, for approximately 5 nights**, weather permitting.

Works will be undertaken between 7pm and 7am, each night, Monday to Friday, unless advised otherwise.

Activities

Soil testing within designated areas (see map overleaf). Some noise disturbance can be expected at times while these works are completed, however, the works will be managed to minimise disruption to nearby businesses and residents as much as practically possible.

What to expect

Traffic will be restricted intermittently in the immediate vicinity of the works for short periods of time. Traffic controllers will be onsite to assist motorists.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Please observe speed limits, lane restrictions and traffic controllers when travelling through the area. Pedestrian access will be maintained throughout the work areas.

Night works are being undertaken to minimise impacts to traffic during the day and complete the works as quickly and safely as possible.

Stay up-to-date with the project via the SitePodium app. The app is available at no cost to download from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au.
