

Port Wakefield Overpass and Highway Duplication

OVERPASS OPENING

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and the South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

The new Port Wakefield Overpass is now open to traffic.

Motorists travelling southbound from the Yorke Peninsula can now access the new overpass, via the Copper Coast Highway, to continue southbound through Port Wakefield (see orange arrows on the map overleaf).

Motorists travelling southbound from Port Augusta (see light blue arrows on the map overleaf) can access the new overpass, via a dedicated left-hand slip lane from the Augusta Highway, to continue through to the Copper Coast Highway (see pink arrows on the map overleaf).

Motorists travelling northbound from Port Wakefield (see green arrows on the map overleaf) can continue to access the Copper Coast Highway via the current left turn at the existing Copper Coast Highway and Augusta Highway junction (see pink arrows on the map overleaf).

Motorists travelling northbound from Yorke Peninsula can access the Augusta Highway via a dedicated left-hand slip lane (see green arrows on the map overleaf).

Speed restrictions and signage will be in place to assist motorists with these new traffic conditions.

Stay up-to-date with the project via the new SitePodium app. The app is available at no cost by downloading Site Podium from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards,

Community Engagement and Stakeholder Team
PW2PA Alliance
