

Port Wakefield Overpass and Highway Duplication

Night works

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and the South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

In order to minimise the impact to road users, works will be undertaken at night in Port Wakefield from just north of the new overpass to just south of Minnie Street.

Timing of works:

Night works will commence from **Friday, 25 March 2022, for approximately three months**. The works will be undertaken intermittently, Sunday to Friday, between 6pm and 7am. There will be no works undertaken over the Easter period or Anzac day.

What to expect:

These works will involve road construction activities including kerbing, asphaltting, line marking and installation of signage.

To safely undertake these works, speed and lane restrictions will be in place during the works. Traffic controllers will be on site to assist.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. Signage will be in place to alert motorists to the changed traffic conditions.

Access to local businesses and residences will be maintained during these works with advance notice provided if there is a need to temporarily restrict driveway access.

Please continue to support the local businesses.

Some noise disturbance can be expected at times while these works are being undertaken, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible. You may also notice some odour which is common when asphaltting works are underway.

Residents will be notified individually if works are planned to be undertaken in close proximity to their property.

Existing pedestrian detours will remain in place via footpath on the western side of the Port Wakefield Highway.

Stay up-to-date with the project via the new SitePodium app. The app is available at no cost by downloading Site Podium from the [App Store](#) or [Google Play](#) to your smart phone or tablet.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407, email enquiries@pw2pa.com.au or visit www.pw2pa.com.au

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards,

Community Engagement and Stakeholder Team - PW2PA Alliance
