

Joy Baluch AM Bridge Duplication Project

Temporary Road Closure – Mildred Street

The Joy Baluch AM Bridge is an important link in the National Land Transport Network at Port Augusta, providing access across the Spencer Gulf for commuter, commercial and freight vehicles in the northern region of South Australia. It is also a key tourist connection to the Eyre Peninsula, northern South Australia and beyond.

The \$200 million Joy Baluch AM Bridge Duplication Project is a joint initiative of the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

To safely facilitate the installation of a permanent electronic overhead message sign, the junction of Augusta Highway and Mildred Street will be temporarily closed to traffic between **Monday, 22 August 2022, and mid-September 2022, weather permitting**. The junction will be closed between **7am** and **7pm** each day during this time. These works are being undertaken during the day to minimise impacts on residents.

Signage will be in place to advise motorists of the temporary road closure. Detours are available via Burgoyne Street, Stokes Terrace and Mellor Street (see map overleaf). Traffic controllers will be on site to assist during works when required.

To safely undertake these works, speed and lane restrictions will be in place during the works. Motorists are advised to take care when driving through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken. If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email enquiries@pw2pa.com.au

Kind regards,
