

Port Wakefield Overpass and Highway Duplication

Night Works – Edward Street and Port Wakefield Highway

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

To safely facilitate completion works in the Port Wakefield township, works will occur at night to reduce interruption to road users and businesses.

The works will include the installation of water main inspection covers on Edward Street, and the replacement of streetlight light globes along Port Wakefield Highway, between North Street and the Wakefield River Bridge.

These works will occur from **7.30pm Wednesday, 8 March**, to **5am Friday, 10 March 2023**, weather permitting.

The following traffic conditions will be in place while these works are undertaken:

- northbound traffic travelling through the township will be reduced to one lane; and
- Edward street will be closed, and detours will be in place to the south via East Street, Burra Street and Company Street and to the north via North Street and Company Street (see map overleaf).

Signage will be in place to advise motorists of the temporary road closure and available detour routes.

Some temporary pedestrian detours will be in place around the works site, and pedestrians are advised to follow directional signage. Every effort will be made to minimise impacts to the community.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Some noise disturbances can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents as much as practically possible.

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email enquiries@pw2pa.com.au
