

Joy Baluch AM Bridge Duplication Project

Changed Traffic Arrangements

Two lanes open to traffic on each bridge
6 June 2023 (weather permitting)

Access restrictions to local businesses removed.

To minimise impact to road users, night works will be undertaken intermittently between early June and late July 2023.

To safely facilitate finishing works, intermittent lane restrictions will be in place between early June and late July 2023, weather permitting.

Focus of Stage 2 is:

- Mackay Street intersection works completion; and
- Australian Rail Track Corporation (ARTC) bridge works completion.

Main activities include:

- landscaping;
- line marking; and
- testing and commissioning.

Changed arrangements:

- two lanes open to traffic on each bridge;
- Mackay Street intersection open to traffic and pedestrians;
- right turn into Burgoyne Street from Augusta Highway reinstated; and
- full pedestrian access available on each bridge.
