

## Port Wakefield Overpass and Highway Duplication

### Balaklava Road, Port Wakefield

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

To safely facilitate pavement works on Balaklava Road, just east of the intersection with Port Wakefield Highway, temporary localised speed and lane restrictions will be in place **between 7am and 6pm each day from Monday, 23 October 2023 until mid-December 2023, weather permitting** (see map attached).

To reduce interruption to road users, **some works may occur intermittently at night.**

Signage will be in place to advise road users of the changed traffic arrangements. Traffic controllers will be on site to assist when required.

Please observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Some noise disturbances can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents as much as practically possible.

Access to local businesses and residences will be maintained during these works with advance notice provided if there is a need to restrict driveway access temporarily.

We appreciate your co-operation and patience while these important works are undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email [enquiries@pw2pa.com.au](mailto:enquiries@pw2pa.com.au)

Kind regards

**Community Engagement and Stakeholder Team**
