

## Port Wakefield Overpass and Highway Duplication

### Changed Traffic Arrangements – Port Wakefield Overpass and Augusta Highway, Port Wakefield

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance. The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

To safely facilitate artwork installation on the Port Wakefield Overpass, temporary **speed and lane restrictions** will be in place on the overpass and on Augusta Highway (below the overpass) daily from **Monday, 4 December 2023, to 7pm Friday, 8 December 2023, weather permitting**. Hours of work are between **7am and 7pm**.

As artwork installation is completed on the western side of the Port Wakefield Overpass, the work zone will move to the eastern side to facilitate artwork installation on the eastern side of the overpass.

As artwork installation is completed above the southbound lane of Augusta Highway, the work zone will be shifted to the northbound lane to facilitate artwork installation directly above the northbound lane of Augusta Highway (see map overleaf).

Signage will be in place to alert motorists to the changed traffic conditions, and traffic controllers will be on site to assist during the works.

Please observe speed limits, lane restrictions and traffic controllers when travelling through the area.

We appreciate your co-operation and patience while these important works are undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email [enquiries@pw2pa.com.au](mailto:enquiries@pw2pa.com.au)

Kind regards,

**Community Engagement and Stakeholder Team**  
**PW2PA Alliance**
