

Port Wakefield Overpass and Highway Duplication

Changed Traffic Arrangements – Port Wakefield Overpass and Augusta Highway, Port Wakefield

The \$124.5 million Port Wakefield Overpass and Highway Duplication Project is jointly funded by the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

The project will improve traffic flow and reduce congestion for all road users, particularly, during peak travel times and public holidays, and improve safety and freight productivity along the National Land Transport Network.

To safely facilitate maintenance of artwork on the Port Wakefield Overpass, temporary **speed and lane restrictions** will be in place on the overpass and on Augusta Highway (below the overpass) daily from **Tuesday 30 January 2024 to Friday 9 February 2024, weather permitting**. Hours of work are between **7am and 7pm**.

Once work is completed on the western side of the Port Wakefield Overpass, the work zone will move to the eastern side.

Once work is completed on the southbound carriageway of Augusta Highway, the work zone will shift to the northbound carriageway (see map overleaf).

Signage will be in place to alert motorists to the changed traffic conditions, and traffic controllers will be on site to assist between **7am and 7pm**.

Please observe speed limits, lane restrictions and traffic controllers when travelling through the area.

We appreciate your co-operation and patience while these important works are undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email enquiries@pw2pa.com.au

Kind regards,
