

Joy Baluch AM Bridge Duplication Project

Upcoming Traffic Changes – Tassie Street

The Joy Baluch AM Bridge is an important link in the National Land Transport Network at Port Augusta, providing access across the Spencer Gulf for commuter, commercial and freight vehicles in the northern region of South Australia. It is also a key tourist connection to the Eyre Peninsula, northern South Australia and beyond.

The \$200 million Joy Baluch AM Bridge Duplication Project is a joint initiative of the Australian and South Australian governments (80:20) and is being delivered by the Port Wakefield to Port Augusta (PW2PA) Alliance.

Tassie Street will be temporarily closed to traffic while work is occurring overhead to install artwork on the Joy Baluch AM Bridge.

The following traffic arrangements will be in place from **19 June to late June 2024** weather permitting:

- Tassie Street will be closed to all traffic.
- Light vehicle access to Tassie Street will be via Flinders Terrace and Young Street or Flinders Terrace and Thompson Street (see detour map overleaf)
- Heavy vehicle access to Tassie Street will be via Mackay Street and Young Street or Flinders and Rogers Street
- Pedestrian access from the bridge to the central business district will be maintained via the new Shared Use Path ramp and Mackay Street.

There will be changes to traffic conditions to keep everyone safe. Please follow traffic management directions while works are in progress. Speed and lane restrictions will be required while works are.

During the works, there will be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum.

If you have any questions or would like to speak to a member of the project team, please call 1300 161 407 or email enquiries@pw2pa.com.au

The PW2PA Alliance appreciates your co-operation and patience while these important works are undertaken.

Kind regards,

Community Engagement and Stakeholder Team
