

Carpenter's Landing Boat Ramp Restrictions

PW2PA
ALLIANCE

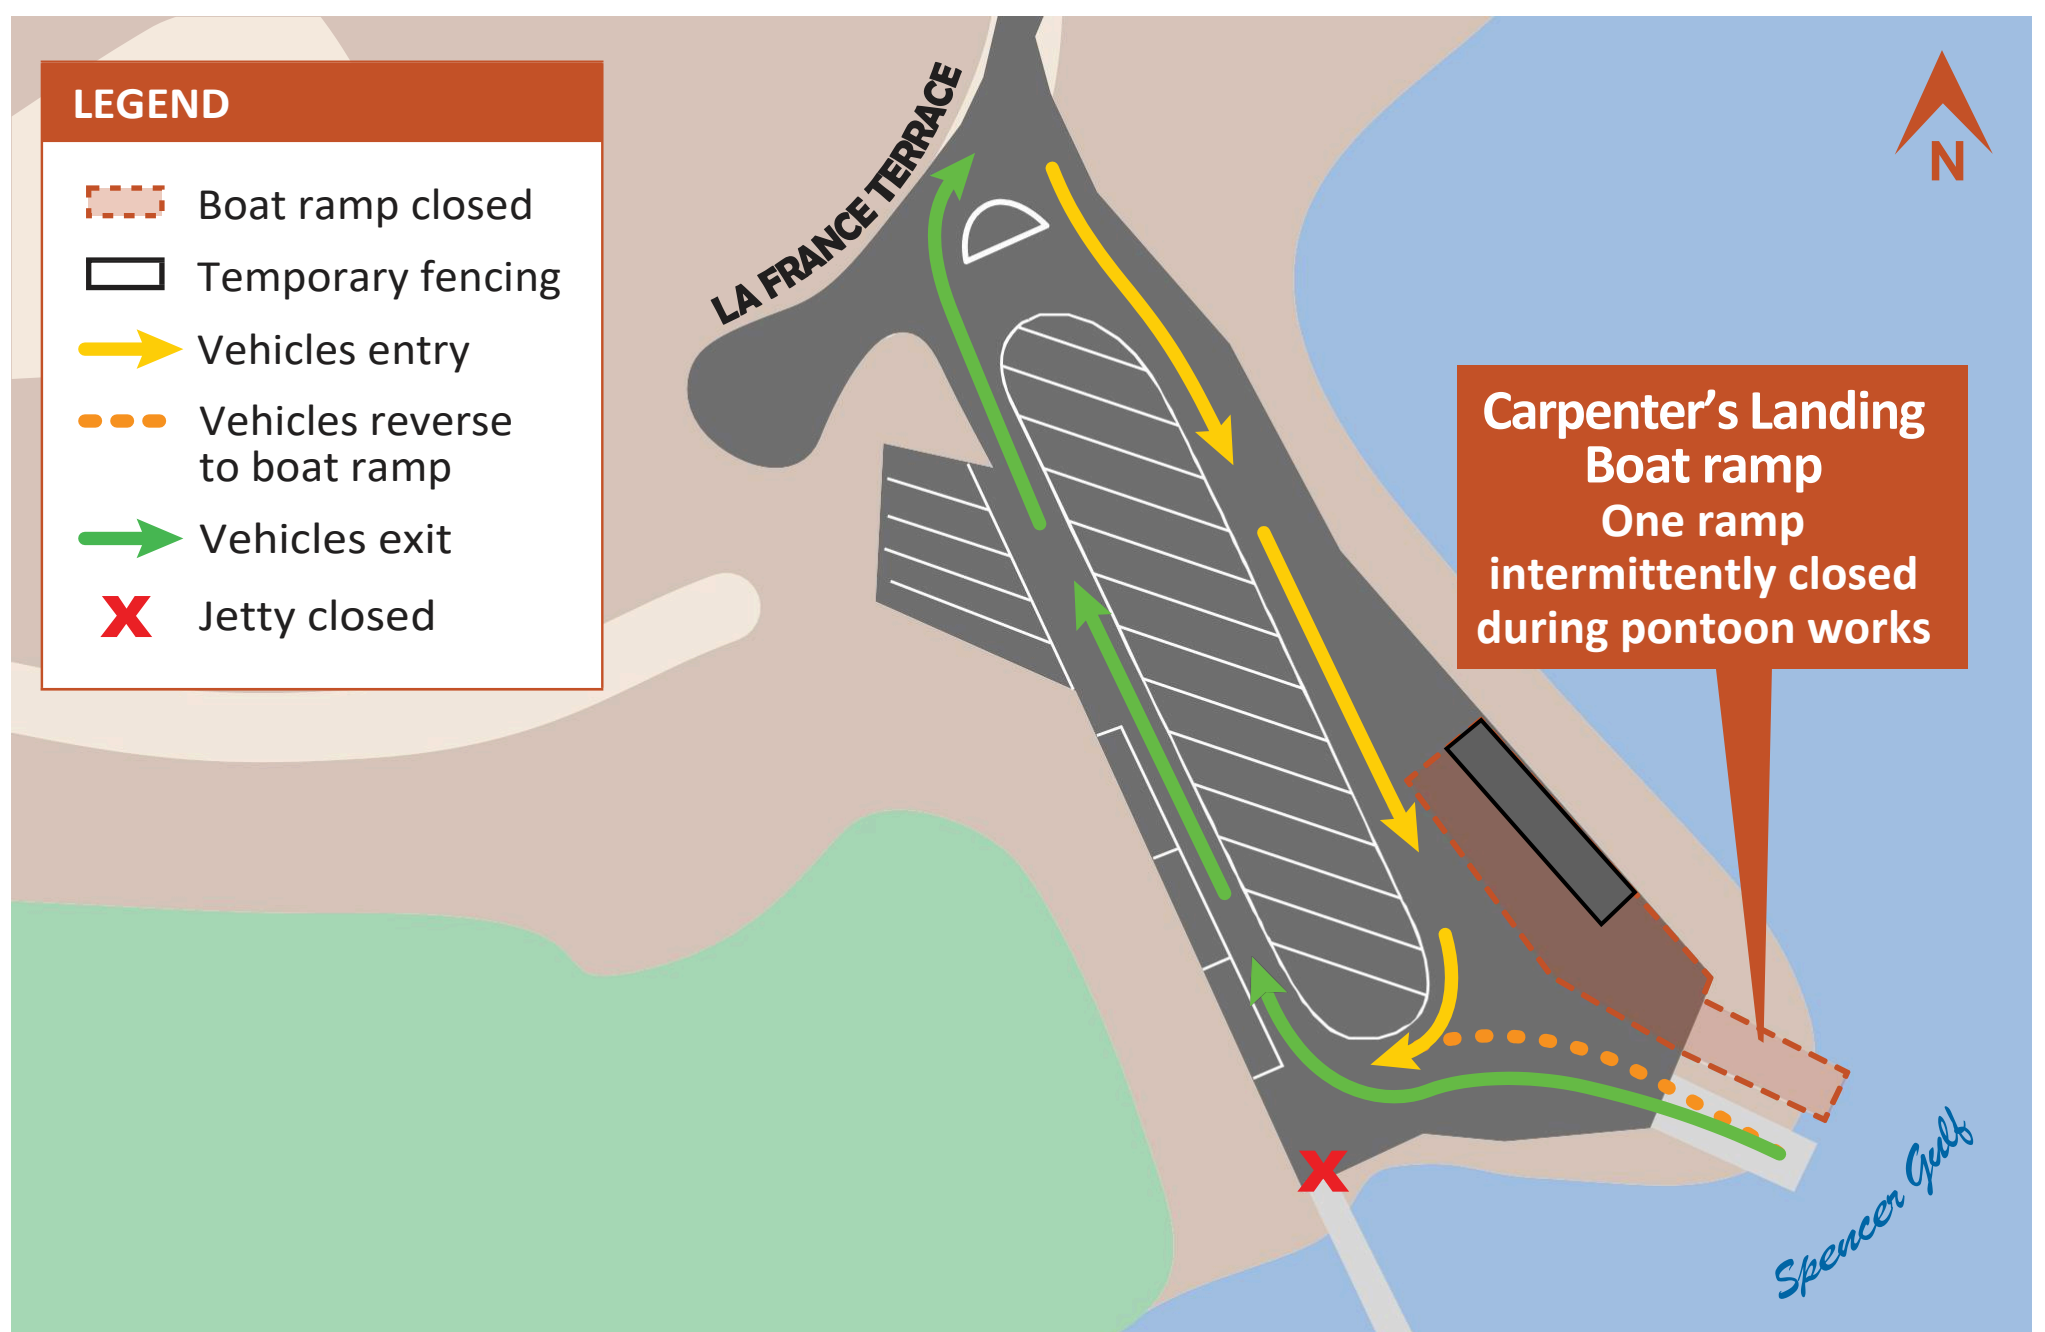

Construction of a new swimming pontoon on the Eastside Foreshore is progressing well.

The Carpenter's Landing boat ramp will be used intermittently through September and October 2024 for loading and unloading machinery and materials. Access to one side of the boat ramp will be restricted during this time.

The swimming pontoon is scheduled to open in late 2024, weather permitting.

We appreciate your co-operation and patience while these important works are undertaken.
